

### **GCSE Music**

- The Concerto Through Time
- Rhythms of the World
- Film and Video Game Music
- Conventions of Pop

### **A Level Music**

A Level Music has a much greater emphasis on music of the Western Classical Tradition, and this is an area that learners should be passionate about.

- The Development of the Symphony (1750-1900)
- Rock and Pop (1960 – Present)\*
- Into the 21<sup>st</sup> Century\*

\* These modules are selected from a set of options and are currently the ones studied in A Level Music.
